

Equipment and Apparel

April 21, 2014

Items Provided by the Mississauga Terriers

Below is a list of items included with the player's registration fees. All items will be kept by the player at the end of the season.

1. Home and Away jerseys and socks. Each player may choose their own jersey number, from 1 – 99, or as approved by the Terriers. The Terriers reserve the right to approve all player numbers.
2. Practice jersey and socks.
3. Equipment bag with Terrier logo and player's number. *Roller bags are optional with the difference in cost to be borne by the player or team.*

Equipment Provided at Player Expense

The following equipment must be purchased from a Terrier approved vendor at the player's expense. All equipment approved for purchase by the Terriers is high quality and CSA approved.

- a. Gloves
- b. Pants
- c. Helmets

All equipment listed above will be "custom-fitted" prior to purchase and approved in writing by the player's parents.

Terrier Selected Vendors

All players and team managers will purchase Terrier equipment from our Terrier Selected Vendors. The quality of the equipment will be at a high standard (CSA Approved) for all concerned to ensure uniformity and proper protection. The Equipment Manager, team manager and vendors will schedule team and individual appointments as required to ensure timely delivery at a high level of customer care. The Terrier vendors will provide the equipment as listed below. For example, players can only purchase gloves from the selected vendor (Authentic) as shown below. Without exception, those vendors are:

a. Authentic Sports (Frank Russo) : (905) 755-1105

- a. All Terrier merchandise including, winter and summer jackets, track suits, hoodies, t-shirts, golf shirts, mock turtle necks, hats, toques, scarves, blankets etc. (other Terrier merchandise not in our Authentic Brochure may be purchased as a special order)
- b. Practice jerseys and socks

b. West Start Athletics (Robin or Kyle): (905) 820-9428

- a. Home and away game jerseys and socks
- b. Helmets
- c. Gloves

c. RYR (Joe Kenney) : (416) 635-1452

- a. Pants – Pants will include a Terrier logo

All other equipment, such as skates, sticks and under garments and other protective equipment may be purchased at vendors of your choice.

Care and Maintenance of Team Equipment

A maximum of two sponsor patches are allowed. The Equipment Manager must approve the location and size of the sponsor patch. *The cost of GTHL patches, player's names and numbers and sponsor patches will be the responsibility of the team.*

At no time may a sweater be modified or may patches be added or removed, without the approval of the Equipment Manager.

If a team chooses to have two patches on a sweater, the player's name will be on the top patch (above the number) and the sponsor's name will be on the bottom (below the number). If a team chooses to have only one patch on a sweater, (either a player's name or a sponsor's name) it must be placed as a top patch

Sweater bags for game jerseys may be provided to all teams if required. Should the player show up to a game and forget their jersey at home, and there is no extra replacement jersey, then that player will not be allowed to play. The Terriers reserve the right to remind players and parents of their responsibilities when it relates to the care, cleanliness and quality of the player's jersey and other Terrier equipment.

Jerseys (and all equipment for that matter) must be laundered on a regular basis. We recommend placing jerseys on plastic hangers to be carried in a separate hanger bag to maintain their quality.

The Equipment Manager must handle all matters dealing with equipment and merchandise. Each Team Manager will be responsible for each team's equipment and merchandising needs.

- a) Equipment for the season will be available mid to late July.
- b) Terrier jerseys/socks/pants/gloves cannot be altered in any manner
- c) Game socks must not be worn at practices.

To ensure consistency and quality, the Equipment Manager must first approve all sponsorship cresting on all equipment. Purchases that involve the use of the Terriers name or logo must be approved by the Equipment Manager and only purchased from the Terrier Selected Vendors. For example, the General Manager or the Equipment Manager must first approve the purchase of caps, t-shirts, sweaters, tracksuits, etc. that use the Terriers logo. In order to ensure consistency, each team will acquire this additional Terrier apparel and merchandise, as described in the Terrier Apparel Brochure and from the Terrier Selected Vendor. No other apparel or merchandise supplier shall be used without the consent of the Equipment Manager.
