

MISSISSAUGA TERRIERS

HOCKEY CLUB

HARD WORK

"There will be obstacles. There will be doubters. There will be mistakes. But with hard work, there are no limits." – Michael Phelps. As an organization, the Mississauga Terriers Hockey Club values the countless hours that all players, coaches, parents and extended families put into making this the "Premier AA Hockey Club in the GTHL." This, at every level, takes hard work. We all face obstacles, and we often make mistakes, but we have and will continue to work hard to provide every person who is part of the Terrier organization the best possible experience. Not only do we strive to work hard as an organization, but we also know that all our coaches' endeavour to instill a work ethic in their players that rewards effort not just talent. This is a testament to the character that is shared among all Terriers, which in turn teaches our athletes a life lesson; one that sees hard work, when applied beyond the rink, as the path to success.
